Spiraea x bumalda 'Monhub'	Limemound Spirea	#5	\$15.00	\$7.50	5	

* SALE plants are carryover from last season, they may be dormant in winter and may not be as fresh looking as newer crops. They should be planted or up-potted as soon as possible and may require some extra loosening of the root ball. That being said they should be healthy plants with a little time in the ground, we pull anything that appears sick or stressed.
